QUALIFICATIONS

I have seven years of experience in working and building computers. I know how to take artwork from concept to reality with minimal direction. I have worked with several print companies and understand the industry standards. Web design & Print are my strongest areas of concentration. Natively PC operating systems are what I use, I am fully capable of using Apple computer systems and have done so in the past. I have had training in a variety of professional computer software packages including:

- **Adobe:** Photoshop, Image Ready, Illustrator, After Effects, Premiere, Encore, Audition, GoLive, Streamline, In Design.
- **Macromedia:** Dreamweaver, Fireworks, Director, Flash, Freehand, Contribute, Homesite.
- **Misc:** Final Cut Pro, DVD Studio, 3-D Studio Max, Renderware, Quark, Time Matters, Trial Director, Sanction.
